

2021 TEXAS LOBBY DIRECTORY REGISTRATION

The *Texas Lobby Directory* is the “**first pictorial directory**” of the major registered lobbyists in Texas. This guide was developed in 1987 as a resource for the leadership, members and staff of the Texas legislature, state agencies, legislative consultants, and associations. The Directory has been an extraordinary asset for over three decades. It features a listing of Clients and the Lobbyists representing them. Including addresses, phone numbers, faxes, and email addresses. A “Special Services” section, which contains space for frequently used phone numbers or addresses as well as advertisements and listings for some of Austin’s most prominent restaurants, businesses, and related services. Capitol Complex Maps and an Order Form are located in the back of each directory.

Previously this information has been available in print only but is now at your fingertips online at www.txldonline.com, with access from your computer, phone or tablet. The annual registration package for 2021 is \$100 to be included in both the print and online version of the Directory. If you choose to be included in only one version, whether in print or online, the registration fee is \$55. If you choose to appear in the online version only, you will not receive a printed copy of the directory. Depending on the option you choose your registration fee will entitle you to appear in either the printed version or online version of the directory or both. Printed directories for registrants may be ordered at an additional discounted rate of \$45.00 each.

Please refer to the registration form for registration options. Non-registrants may sign up for viewing access only. The fee for Annual Online Viewing Access is \$60.00, payable by credit card online at www.txldonline.com.

In order to be included in either the printed or online version of the directory each person must submit a registration form, photo and fee. A digital Registration Form is available online at www.txldonline.com. You can also view a sample copy of the Print and Online Directory at www.txldonline.com. Registration forms are required for proofing purposes and verification that you are acknowledging and providing the information submitted for publication. Your registration form must be submitted no later than December 11, 2020. Distribution is scheduled for January 2021.

You can submit a photo by e-mail to svlviaf@legislivedataservicesatx.com. All photos are kept on file. For best print quality your digital photo must be at least 300 dpi. You can also submit a 4x6 or 5x7 black and white or color print glossy photo. We will resize all photos to directory specifications for print and online. Website photos are not print quality and are not recommended for printing purposes.

Please make your check payable to **Legislative Data Services** and mail it with your registration form and photo if you are providing an actual photograph to P.O. Box 170352, Austin, TX 78717.

It has been an honor to produce this important legislative resource guide for so many years for *Politechs, Inc.* As the “new owner” of the *Texas Lobby Directory* the Directory will continue to be published by *Sylvia Fenstermacher, Legislative Data Services* with the same attention to detail, expertise and commitment as previously produced for more than 30 years.

The printed version of the Texas Lobby Directory will be available for purchase in the Capitol Gift Shop for \$55.00 once printing has been completed.
